Principal's Message

As we continue to ensure our students' safety, please remind children that they are not permitted to eat on the school bus. We have some students with severe allergies, and we do not want to expose anyone to a life-threatening allergic reaction by opening food on the bus.

Due to Election Day, FD Evening Parent-teacher Conferences will be on Monday, November 4th, NOT November 5th. Information will be sent in the Newsletter next week regarding conference sign-ups.

Thank you for promoting and participating in the Kindness Quest for the Week of Respect! It was a great success and students and staff alike enjoyed participating in our culminating event last Friday with the Main Office Game Show. We thank our community partners, especially those who donated prizes for our Game Show: ABC Bagel, Cups & Cakes, Peach Pit, French Market, Rumson Pharmacy, Rumson Market, Riposo and Craze's.

This week we honor Violence Awareness Week. Please see the acronym below that students will be introduced to during lessons with our Counselors throughout the week.

Please review all important fliers and announcements for this week:

S - Strength

Being strong means you have enough strength to help those who don't.

A - Awareness

Be aware of your emotions, and what zone you may be in.

F - Find help

Sometimes problems are bigger than we are as children and require further intervention

E - Evaluate

In order to make positive decisions, it is important to consistently evaluate.
